

SURFBIO INNOVATION HUB

GRAND OPENING EVENT

12:30 – 13:00	Registration	
13:00 – 13:15	Opening Remarks (15')	
	WELCOME	PROF. DR. BOŠTJAN ZALAR , DIRECTOR OF THE INSTITUTE "JOŽEF STEFAN"
	Placement of Innovation Hub within the Department of Environmental Sciences and Jozef Stefan Institute	Prof. dr. Milena Horvat , Head of Department of Environmental Sciences, Jožef Stefan Institute
	Hub as an open innovation community of stakeholders - EC initiatives	Ángel Del Pozo Pérez, Deputy Manager for Programmes Strategy - Keralty
	A brief overview of the SurfBio Innovation Hub project	Dr. Aleš Lapanje (JSI)
13:15 - 13:35	SurfBio Innovation Hub (20')	
	Innovation Hub mission and objectives	Dr. Aleš Lapanje (JSI)
	Innovation Hub network: partners, GAC, industries, public and non-governmental organisations.	Dr. Tomaž Rijavec (JSI)
	Innovation Hub services and Potential applications	Dr. Aleš Lapanje (JSI)
13:35 – 13:50	What is colloid biology? Benefits of Colloid Biology (15')	
	How can colloid biology contribute to lessening some of today's global challenges?	Dr. Aleš Lapanje (JSI)
	Cases from the "field"	Dr. Tomaž Rijavec (JSI)
13:50 - 14:05	Coffee Break (15')	
14:05 – 14:55	Showcase of colloid biology joint research to deliver solutions (50')	
	Colloid biology to upgrade side-streams	Dr. María Suárez (WUR)
	Colloid biology linked to environmental applications	Dr. Rocío Barros (UBU)
	Raman spectroscopy and atomic force microscopy: tools for advanced explorations in colloid biology	Dr. Andre Skirtach (GU)
	Surfbio - From dental safety, to nanosafety, to nuclear safety	Dr. Stefan Schymura (HZDR)
	Business support to colloid biology research developments	Raquel Moreno (AXIA)
15:00 – 15:45	Panel Discussion: "Future Trends in Colloid Biology Research Community" (45')	Open contributions
	Organisational: enhancing the community	UBU
	Societal: targeting general public	JSI
	Scientific Education	Iaroslav Rybkin (SaudiAramco).
	Industrial	Tomaz Lutman (TTO)
15:45 – 16:00	Q&A	
	CLOSING REMARKS
